In an emergency situation, I might be willing to make my vehicle available. I do so knowing that if I transport students in my own vehicle, I am assuming any liability under my own personal insurance policy. I have a valid driver's license, I am at least 21 years old, and have minimum liability insurance coverage of \$100,000/\$300,000. I will abide by and stay current with all state laws, even as they are updated. I am taking my own initiative to transport students and am not being told to do so by **Joy El**. I have not had more than 2 minor traffic violations, a major accident, or a major traffic violation in the past 3 years. A minor traffic violation would include, but not be limited to running a stop sign, speed limit violation of less than 10 mph over speed limit, etc. A major traffic violation would include, but not be limited to a speed limit violation of more than 10 mph over the speed limit, DUI, etc. I will have another adult accompany me in my vehicle. All passengers will wear seat belts and in Pennsylvania, if a student is younger than 8 years old, I will provide a booster seat. In Maryland, if a student is younger than 6 years old or weighs less than 60 pounds, I will provide a booster seat. If anything changes regarding the above criteria, I will immediately notify the Director of Bible Adventure, and will cease transporting students.
